Good day,

I was just advised via the SMT chain that a BRONZE POJ (Surrey) plan has been briefed and sent out regarding 176 that includes blocking the road. We did not have any awareness of this. I am now returning as SILVER, and my acting SILVER was not aware of this plan either.

Is this the case? Please forward the BRONZE plan for approval ASAP. May we discuss this in short order.

Overall, we are not supporting blocking areas off, as it will create confrontation immediately. This will lead to blockades at site or simply more the blockades. We are wanting to see facilitation of moving convoys, in the anticipation that organizers will keep the convoy flowing.

TEAMS call at your earliest convenience please.

Thanks
Jim
